

LADIES AUXILIARY

The Ladies Auxiliary is raising funds for two Glider Swings. Donations are accepted even after the BBQ. Make Cheques out to Salem Foundation (ATTN: Glider Swing) Donations of \$20.00 or more will be receipted.

MURALS PAINTED ON DOORS

Artist, Danny Hildebrand is painting the doorways that access Maple North. She will be here daily from 1000hrs to 1500hrs until the project is completed. She will be painting on both sides of the doorways.

The murals are in an effort to reduce the elopement and agitations of the residents in the Care Area.

During the time she is here, access to Maple North (from inside the building) will have to be made via Cottonwood. The area will be cordoned off and access will be **off limits** to accommodate her work. Please go around! There is signage in place. This will pose a few inconveniences - we ask for your cooperation. It will be important that she be allowed to work undisturbed.

The project is anticipated to take about 10 days. The Cottonwood doors will be painted in September.

Danny is one of our resident's granddaughter.

Thank you.

SALEM CONNECTIONS

There is a lot happening at Salem Home. We are so blessed to be part of a church and business community that helps us strive towards excellence in caring for residents living here.

SOD TURNING

There is excitement in the air for the new dining room under construction. Thank you to all the donors for making this gift to the residents possible.

JUNE 2018

VOLUME 5 ISSUE 1

PAY IT FORWARD

Salem Home was the recipient of pay it forward. Thank you to the Winkler Day Care Centre for raising money for three blinds for resident rooms and then allocating their winnings from Access Credit Union to purchase another two blinds. Winkler Canvas delivered beautiful bouquets of flowers for each care area and the Business Office, and to Pur Anada for paying it forward with makeup for some very special ladies. Thank you for thinking of Salem Home residents and staff.

Recipients of the Youth-in-Philanthropy (YIP) Program –

The GVC YIP group gave Salem Home funding for “Carry On Reading” books to be used with the residents.

The books in the Carry On Reading series are specifically designed to be used with individuals living with dementia. They encourage memories and conversation.

Winkler Elementary School YIP group donated their money to the construction of the new Cottonwood dining room. The group was excited to be part of giving back to the elders in the community.

Thank you to both YIP programs for the gifts you gave to the residents.

HERITAGE ROOM TRANSFORMATION

You may have noticed some thing different in the Heritage Room. A street has been created in keeping with the Montessori Way for Dementia of care for the residents. In creating a destination, residents who are apt to wander, now have a place to wander to. It also gives residents the ability to interact with their living space. Thanks to the many businesses who helped us make this possible.

You are invited
**Annual General Meeting
Salem Home Inc.**

Monday, June 25, 2018 at 7:30 p.m.
